**Steps for accessing eBooks from the Online Public Access Catalog (OPAC).**

We have THREE types of eBooks. I will give instructions for all three.

Enter http://library.calhoun.k12.al.us.

Click **Display** beside Wellborn High School. You may have to click **FULL OPAC** at the bottom of your mobile device to access the full site.

OR click here to go straight to our site.

Below the SEARCH box, click the MEDIA button. In the Media Search box, CHECK the box beside eBooks. Then click SEARCH. ALL our eBooks will come up in a list.

    I.       Some books (ABDO) will appear _**like**_ the following:

**Call Numbers:** 338.7 LUS                                                  **IN**  (at Internet)

Apple : the company and its visionary...     Apple : the company and its visionary founder, Steve Jobs

by Lusted, Marcia Amidon, - **c2013.** - Copies: 1 of 1 available    **Lexile:** 1200

Technology pioneers

Examines Steve Jobs' background and education, as well as his early career and his time with NeXT Computer and Pixar.

## Available via ABDO Digital. Click here to access.

For these books, click the link **CLICK HERE TO ACCESS**. You may be prompted to enter a password. Enter _wellborn_ for user name and _panthers_ for password.

The book will load and you can read it by clicking the arrows at the bottom of the screen. The ABDO books will NOT read to you.

    II.       Some books (CAPSTONE) will appear like the following:

**Call Numbers:** 624.1 BAR                                                  **IN**  (at Internet)

Buildings and structures

by Barber, Nicola. - **2012.** - Copies: 1 of 1 available    **Lexile:** 1050

Capstone

Using a countdown format, describes the world's greatest building and structure failures. Also details what was learned and gained from each failure.

## Buildings and structures

Notice there is NO **CLICK HERE TO ACCESS** LINK. Simply click the title in bold at the bottom of the entry. These books have an audio option and will read the book to you. Click the PLAY button at the bottom middle of the screen.

III.     The third type of eBook we have is the CyberSmarts program. To access these books, go to www.rosenlearningcenter.com. If prompted for a username and password, enter the following:
          username: calhouncounty            password: schools

          The CyberSmarts program is for elementary and middle school. The Teen CyberSmarts is for upper grades. The information is basically the same. Click on any title. You can create a "Profile" or not. Green EXCLAMATION POINTS have messages you should read when they appear. You can read the books, then complete the activities on the INSTRUCTIONAL SUPPORT link on the left of the screen.
